

## Enterprise Mobility Solutions

Our enterprise mobility solutions complement Geotab's platform to help your drivers stay efficient, accurate, and connected in-cab and on-road.

Companies like United Rentals trust us to handle their mobility needs from selection and procurement to deployment and support.

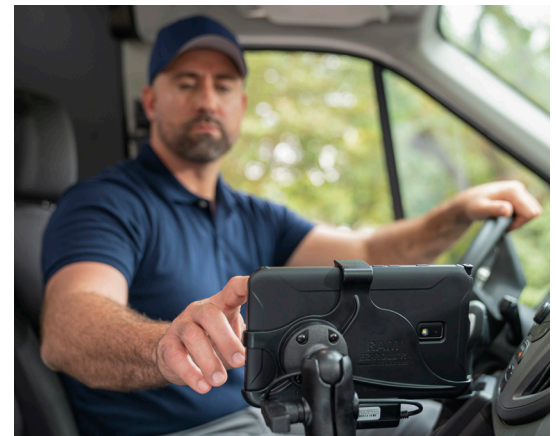

### Choose our enterprise mobility solutions for Geotab and take these things off your plate:

- Certified packages of Samsung tablets and in-cab mounting systems
- Cellular data service from the top six carriers in Canada and the United States
- ELD tablet configuration and lockdown
- Hardware support in your country and time zone

**WE TAKE CARE OF THE DETAILS,  
SO YOU CAN TAKE CARE OF  
BUSINESS.**

TAB ACTIVE 3

"The team brought expertise in the provisioning and implementation of the [mobile] project, which we wouldn't have been able to do ourselves without hiring and training a lot of folks."

**—KEVIN NEVILLE**  
*Director of Technology  
and Enterprise Architect*
